 Núria Parera  
Almudena Suárez

Hardcover  
26 x 21 cm  
40 pages  
Age: 5+

With Grandpa Simon we play our “hide kisses” game every day. Even if he has to go to hospital. Even if he is not here. Grandfather Simon and I keep playing... A tender story about how, with the magic of a relationship between an old man and his granddaughter, it is possible to offer a less tragic view of degenerative diseases.

## Introducing the 5 Stages of Grief & Loss

**Núria Parera** started her career as a journalist, but soon she realized that she enjoyed more telling stories and creating them. For ten years she has been writing scripts for television series and publishing children’s books.

**Almudena Suárez** is graduated in Geography and History. Later she studied archeology restoration, decorative painting, iconography and parchment lighting. For 16 years she ran an iconography workshop and has also prepared children's Romanic painting workshop. At the moment she is still discovering new dimensions of the illustration field. *My Grandpa And I* is her first book.
